Gateways Jewish Education Programs Fee Schedule and Policy Statement 2011–2012 School Year

Tuition rates

Sunday Program	\$1,150
B'nei Mitzvah Program*	\$1,150 class tuition \$360 preparation fee
Mitzvah Mensches Teen Program	\$800

*B'nei Mitzvah students are typically in the program for more than one year. Tuition is charged each year for the weekly class, and a \$360 Bar/Bat Mitzvah Preparation Fee is assessed one time per student (regardless of the number of years enrolled in the class). A minimum of \$180 is due upon entry to the program, and the remaining \$180 is due prior to the student's Bar/Bat Mitzvah date. If you already paid the initial \$180, your remaining obligation is \$180.

Policies

1. Gateways classes run on a school year basis, generally from September through May. Staffing decisions and other financial commitments are made for the entire school year. Therefore, partial-year enrollment is not available; enrollment in a class is a commitment to pay the class tuition for the entire school year.

At the same time, Gateways recognizes that the population we serve is particularly subject to unpredictable circumstances. If an unforeseen situation arises during the school year and Gateways determines at its sole discretion that continued participation is not in the best interests of the family, then Gateways will determine a prorated tuition and refund the difference.

2. If space remains in a class and a new student enrolls after the start of the academic year, Gateways will determine a prorated tuition.
3. Tuition will not be reduced for student absences or class cancellations for reasons such as inclement weather.
4. A \$50 per student early enrollment discount is applied if enrollment is completed by June 15, 2010 in compliance with the instructions on the enrollment and tuition contract.
5. In the event of a withdrawal by July 31, 2010, Gateways will refund the total amount paid minus a \$50 administrative fee.

Payment instructions

For your convenience, the four payment options from the enrollment and tuition contract are listed on the reverse. We suggest that you make a note of which option you selected and retain it for your records.

Please select from the following payment options. These are the only payment methods which qualify for the early enrollment discount. Alternate arrangements add to Gateways' costs and therefore do not qualify for the discount.
